

Shepherd's Path

Features You Can See & Interact With

HOME SCREEN

- **Hero Verse Card**
Full-bleed landscape art with today's scripture — updates daily. Tappable to open the Devotional.
- **Time-Aware Greeting**
Personalised morning / afternoon / evening / late-night greeting using the user's saved name.
- **Day Streak Counter**
Flame icon showing consecutive days in a row — visible from Day 2 onward.
- **"Where Are You Today?" Mood Chips**
Horizontally scrollable pill buttons (Anxiety, Grief, Loneliness, Anger, Fear, Doubt, Hope, Relationship) — each routes directly into AI guidance.
- **Path AI Hero Input Box**
Primary text entry with animated rotating placeholder prompts. Voice input supported. Submits into the full guided AI experience.
- **Daily Check-In Emotion Selector**
Emoji + label buttons (Hard day, Anxious, Steady, Lonely, Grateful, Hopeful, Drained) — one tap navigates directly into personalised guidance.
- **Gratitude Prompt Card**
Weekly invite to write one thing on your heart — saves directly to the Prayer Journal without extra steps.
- **Weekly Reflection Prompt**
Rotating faith question each week with a one-tap link into guided AI conversation.
- **Sunday Summary Card**
Appears on Sundays — shows streak count, days opened this week, and a verse for the week ahead.
- **"Take a Moment" Daily Art Card**
Closing grace-note section with AI-generated landscape art and a scripture reflection below it.
- **"Your Walk Today" Evening Card**
Appears after 5 PM — warm amber card showing the 5 faith pillars. Routes into the full evening alignment flow.
- **Explore Feature Grid**
2-column grid of all app sections with icon, name, and brief description.
- **Today's Rhythm Card**
Shown once a personal rhythm is configured — displays a focused verse, prayer prompt, and recommended Bible journey for that day's theme.
- **Walk Milestone Card**
Surfaces at 30, 60, and 100 days as a grounding acknowledgment of the user's commitment.
- **Returning User Card**
Warm, non-shaming welcome card for users returning after a gap away from the app.
- **Pro Upgrade Nudge Card**
Surfaces for free users with a qualifying streak — highlights streak protection, unlimited guidance, and full devotional access.
- **Late-Night Mode Banner**
After 11 PM, the home screen shifts tone — a quiet presence-focused card replaces the energetic daytime content.
- **First Steps Card (Days 1–7)**
Onboarding card for brand-new users guiding them toward the most impactful first actions.
- **Floating "Ask Path AI" Button**
Persistent purple "t" button in the bottom-right corner. Opens a full-screen AI conversation from any page in the

app.

PATH AI (GUIDANCE)

- **Conversational AI Guidance**
Scripture-grounded conversation supporting follow-up questions. Generates practical, spiritually rooted responses personalised to what the user shares.
- **Pre-Filled Prompts from Home**
Mood chips, emotion check-in, Walk Today bridge, and "Continue Walk Today" card all pre-fill and auto-send into Path AI without retyping.
- **"Continue Walk Today" Prompt Card**
Amber card inside Path AI on days where you've completed your Walk Today — one tap opens the context of what surfaced.
- **Daily AI Limit Indicator**
Free users see their remaining daily guidance uses clearly. Pro badge displayed for unlimited accounts.
- **"Ask Path AI" Overlay**
Full-screen modal with dynamic prompt suggestions, a text input, and contextual pre-fill support from multiple entry points across the app.

WALK TODAY (EVENING ALIGNMENT)

- **5 Faith Dimension Cards**
Faith, Obedience, Love, Surrender, Endurance — each with a scripture anchor and three honest response buttons: Yes / I struggled / Not yet.
- **Pillar Progress Dots**
Visual dot tracker showing how many of the 5 pillars have been answered in the current session.
- **Completion Summary Screen**
After all 5 answered — a summary of the day's answers and a bridge button to take it to Path AI.
- **"Take It to Path AI" Bridge Button**
Builds a specific contextual message from today's walk answers and opens Path AI pre-filled and ready to respond.

DAILY DEVOTIONAL

- **Full-Screen Art Background**
Immersive landscape art fills the entire screen — drawn from today's daily art. Consistent across the session.
- **Daily Scripture + Reflection**
Today's verse displayed prominently with an expandable reflection section beneath it — generated fresh each day.
- **AI-Generated Verse Art**
A separate AI-created visual paired with the verse — used specifically for the Share feature.
- **Share Card Creator**
Generates a branded share image (verse + landscape) ready for social media or messaging.
- **Share Today's Art Button**
One tap to share the day's landscape art and scripture to any platform.

BIBLE JOURNEYS

- **Curated Journey Library**
Topical guided journeys (Who Is Jesus, Forgiveness, Fear & Anxiety, Identity in Christ, and more) with difficulty levels shown.

- **Interactive Scripture Q&A**
AI-driven conversation anchored to the selected journey's passages — ask anything within that context.
- **Bookmark & Save**
Save passages and AI responses for later reference in the journal.
- **Passage Art Generation**
Visual art created for key moments within a journey.

READING PLANS

- **Plan Selection with Pace Options**
Choose a topical plan (Anxiety & Peace, Forgiveness, New Beginnings, etc.) and a pace: 7, 14, or 21 days.
- **Daily Plan Entry View**
Each day's reading shown with verse, guided reflection question, and AI follow-up link.
- **Plan Progress Tracker**
Visual progress bar and day count so users always know where they are.

PRAYER JOURNAL

- **Free-Text Journal Entries**
Write reflection, gratitude, or prayer entries — titled and typed manually.
- **Auto-Saved Entries**
Gratitude prompts and Walk Today reflections save here automatically — no extra steps.
- **Entry History Feed**
Scrollable list of all past entries sorted by most recent.
